SUBJECT: Request by William Cole Funerals for Ministerial approval to inter the remains of Bishop Coleman at St Christopher's Cathedral, Forrest

MINISTER FOR TERRITORY AND MUNICIPAL SERVICES

- Chief Executive

Purpose
To clarify the issues involved in carrying out the Ministerial responsibility for approving a burial that does not take place in a cemetery.

Issues
A request has been received by your office from William Cole Funerals on behalf of the Catholic Church to inter the remains of the recently deceased Bishop John Aloysius Morgan at St Christopher's Cathedral, Forrest on Thursday 29 May 2008.

The Catholic Church proposes to inter Bishop Morgan's remains in the purpose built crypt at St Christopher's which already contains the remains of two Bishops and an Archbishop. To the knowledge of the ACT Public Cemeteries Authority there are no negative issues regarding the propriety of the crypts or the ability of the Catholic Church to maintain them and keep appropriate records.

In summary, there are two sections of the Legislation that pertain directly to the request:

- Section 24 of the Cemeteries and Crematoria Act 2003 requires that written Ministerial approval must be gained for a burial to take place outside a designated cemetery; and
- Section 10 of the Cemeteries and Crematoria Regulation 2003 requires that remains interred in a vault (crypt) must be embalmed and sealed in a corrosion resistant container and the person who delivers the remains to the operator (in this case the Catholic Church) must provide a statutory declaration to that effect.

The CEO of the ACT Public Cemeteries Authority has discussed the issues with both William Cole Funerals and the Catholic Church who are well aware of these requirements.
